

# TECHNICAL DATA SHEET

## Portable Air Conditioning Unit 12000 BTU

- Fan 360 m3/h
- Exhaust hose with adapter
- Window sealing plate assembly
- Remote control with 2 AAA batteries
- Ideal for rooms with an area of 25-30m2
- 3 speed fan for maximum control
- Auto swing function
- Digital soft-touch controls with LED display
- Programmable timer
- Handles and castors for easy movement
- 4 in 1: Cooling (12000BTU)  
Dehumidifier (0.9L/h)  
Fan (360m3/h) and Heater (3.3kw)
- Low noise: 65dB
- Power consumption 2.65kW
- Includes exhaust hose with adapter, window sealing plate assembly and remote control with 2 x AAA batteries
- Castors for easy movement
- Self-evaporative system with low noise

Code: **H03622**
