

## Wire Mesh Lockers

Codes: **WML1DN2**

**WML2DN1**

**WML2DN2**

Our Wire Mesh Lockers provide secure, ventilated storage for workplaces, schools, and industrial environments. Constructed from welded steel mesh, they provide visibility, airflow, and security. Available in 1, 2, or 3-door configurations, with options for nests of 1 or 2.

- Durable construction
- Open mesh design for ventilation & visibility
- Fitted with hasp & staple locks
- Adjustable fixing points for fixing to floors/walls
- Corrosion-resistant finish
